Furjan Villa 090

Furjan

A striking silhouette.
A softer way to live.

Architectural design presentation
Prepared for private consideration

Designed around a more personal way of living.

Strong white frames and expansive glazing define the exterior. Inside, a double-height living space, sculptural lighting and warm bedroom finishes create an inviting balance of scale and intimacy.

The garden offers a private pool, pergola seating and a water feature. Open living and dining areas connect to the landscape, while individually styled bedrooms create quieter places to retreat.
