Furjan Villa 118

Furjan

Space to gather.
Time to unwind.

Architectural design presentation
Prepared for private consideration

Designed around a more personal way of living.

A private garden, a pool and sheltered outdoor seating set the rhythm of this residence. Indoors, sculptural lighting and generous living spaces bring a sense of occasion to everyday moments.

The presentation moves from entrance and landscape into formal and family living, dining and a sequence of private bedroom suites. A sunken circular lounge creates a distinctive place to gather.
